Periodical assessment

The scope of the Periodical Assessment is to verify that the conditions stipulated for the Type Approval is complied with and that no alterations are made to the product design or choice of materials.

Periodical Assessment to be performed after 2 years (Certificate Retention) and at renewal after 5 years (Certificate Renewal).

The main elements of the Periodical Assessment are to:

Ensure that **Type Approval documentation** is available.

Review design, materials, production process and performance with respect to possible changes, in order to ensure compliance with **Type Approval documentation** and/or referenced material specifications.

Ensure traceability between manufacturer's product making and the DNV GL Type Approval Certificate.
